### DR. GARY WOOD NEWS:

Dear Partners,

We are on the edges of the greatest move of God that the Church and the world has ever seen. The devil is not going to be able to stop it! A mighty Spirit of victory is sure for the saints! The Spirit of God will shake this world one last glorious time before the rapture of the Church. The devil is trying to bring confusion, distraction, and discouragement, but the prayers of the saints will bring about the fullness of this great move of God. The devil's authority over matters on the earth can only be overcome as Christians pray for the Church and our country. God is looking for someone, who will make up the hedge and stand in the gap before Him for the great outpouring of His Spirit across the land and around the world.

We are to pray for one another and walk in love to overcome satanic deception. God is greater than anything that the devil can try to bring on the Church. We already have the victory because Jesus obtained it for us!

Joy in Jesus, Dr. Gary

**Freedom Bus - Donated to the Glory of God - April 2015**

**Freedom Bus in on the move; see the itinerary below to find a service near you. The Freedom Bus, a blessing given to our ministry, makes it possible for Angel and Deena to travel with Dr. Gary as a “ministering family.” God is a good God! This is all for the glory of God! We are so thankful that God has provided us with this amazing coach bus to be able to travel to our meetings!**

**It will save churches the expense of motel bills and airline tickets, in addition, I love cooking our meals on our bus, which also saves! The only main expense is gas; most churches do help us with gas expenses, others are unable. We never want to have to say, “No,” to any church that needs to hear God’s timely message spoken through Dr. Gary. We have always gone where we feel God has called us and that will never stop!**

**We are asking you to pray to God in regards to giving a monthly love gift of any amount to help us with the gas expense. Your monthly love gift of any amount will help us get the Freedom Bus down the road to minister the Good News to the lost so that they might receive Jesus and spend eternity in Heaven. We thank God for this awesome tool to be able to go wherever He calls us. Please pray for safety as we travel and for souls to be eternally saved and brought into the Kingdom of God! As we are traveling, many people comment on our coach; this brings about a conversation centered around salvation, which provides the opportunity to invite them to receive Jesus as their personal Lord and Savior. We are so excited as to what the Lord is doing and will continue to do!**

- ◆ Hello Dr. Gary,  
Praise the Lord! My name is Danny White; I am in prison serving a life sentence for conspiracy to sell meth, a drug used to get a person high and keep a person up for three days. I did not know God when I first got arrested, but God knew me. I claimed to be a Muslim, but did not follow any of their teachings. Five days after I was arrested I received Jesus Christ as my Lord and Savior. Since that time my walk has been up and down. Today, a man came up to me and handed me your book and your daughter's book; I read them and took notes and wrote down the address because I want you and Angel to pray for me. I am believing God to move in my favor. Your books have given me hope. Thank you!  
  
Danny White, Sheridan, OR
- ◆ Dr. Gary Wood,  
I want to thank you from the bottom of my heart for sending my son, Joshua your book! He loves it and is sharing it with other prisoners. He said, " Mom, I absolutely love it. I wish I had all his books!" Please keep him in prayer. He got saved last year. It took so long it seems for God to answer, but as usual He was right on time. Thank God!  
  
Diana S. Ginn
- ◆ I highly recommend your testimony as a source of evangelism, personal enlightenment, and a call to greater consecration of spirit, soul, and body in the joyful union of labor with our Lord and Savior, Jesus Christ.

Joyce Dawson, Greenville, TX
- ◆ Hi Dr. Gary,  
I am from Scotland and had the greatest pleasure of meeting you in Texas around 1987 or 1988. It was in a meeting in a local church and I received my prayer language that very night. It was a glorious meeting and the Lord Jesus was present. God bless you Dr. Gary and all your family; thank you for continually preaching the Gospel.  
  
Love, Stephen Jeffrey, Scotland
- ◆ Dear Wood Family,  
People of Sedan, KS are praying that you will come help us saturate our people with God's Word, healing, and salvation through our Savior Jesus Christ because He is coming soon!  
  
Sharon & Jerry Alexander, Sedan, KS
- ◆ Dr. Gary & Deena  
I was so blessed to share with you by way of the internet when you were at Prayer Mountain in May. I danced around my bills as you said and we have seen increase ever since. Thank you and I expect you all to continue to multiply and increase in every area of your lives. Amen!
