DR. GARY WOOD NEWS:

Rabbi Jonathan Bernis
Jewish Voice Ministries International
TV Program to Air November 17 – 23, 2014

Dr. Gary as a guest, shared his testimony on Rabbi Jonathan Bernis' Television Program. Jewish Voice Ministries International is dedicated to proclaiming the Gospel of Yeshua (Jesus) to the Jews first, and also to the nations throughout the world, according to Romans 1:16. The Good News is proclaimed through television, print, and online media, international festival outreaches & medical clinics/humanitarian aid.

A Prophetic Word from Dr. Gary

Prepare yourselves for I am coming upon you, my people, in ways you have never known before. Doors are opening and as you yield to me I have experiences reserved and prepared for you like the earth has never seen before. The only thing that will limit you, now, is where you allow your faith to take you. So allow Me to rise up big on the inside of you. Be stirred in these days, and manifest, and demonstrate my Glory to a needy world. How far can you go? How big can you think? How far can you see? How far will you allow the spirit of faith to take you? For it is all open to you and there is no limitation in Me saith

It's time to stand on God's Word as never before. David said in Psalms 11, " 'In the Lord I put my trust.' He said this after Saul in a rage of jealousy tried to murder him by throwing a javelin at him.' All David's friends told him to run, quit, give up, you can't win! Run as a bird flees to the mountain. David responded by saying, 'I will trust in the Lord.'" He knew that no matter how great his problems were, God was greater. David did what we must do when problems come and that's to put all our trust in the Lord. The New Testament talks about hardships to be endured, evils to be conquered, and tribulations to turn into testimonies. Jesus went to the cross suffered shame, died with thieves and was buried in a borrowed tomb. He arose from the grave and now sits at the right hand of God making intercession for you. Jesus is praying for you so you cannot fail. Don't quit! He's coming soon! Be ready!

Dr. Gary & Deena,

I wanted to personally say what an amazing blessing it was to have Dr. Gary minister and share God's truth and love for His people. The anointing upon Dr. Gary's life is tangible and refreshingly authentic. He truly has a gift; I call upon his time at Grace Christian Church with warm memories as my life was changed forever. Deena, I want to thank you for allowing Dr. Gary to go into the world and speak to others. What God has commissioned him to do is beyond words. His personality, joy, authenticity, anointing, and love for God's people are so truly refreshing to see. Dr. Gary's love for you and Angel are beyond words and truly are an example for everyone. I pray provision, prosperity, protection, health, peace, wisdom, and love over Dr. Gary, you, and Angel, as you are so gracious in letting the world receive his message. I know it can't always be easy to be apart.

Cheerfully in Christ, Cheryl Meyer

Dear Deena,

I call you blessed and highly favored of God today and everyday. Let me give you a huge Praise God for Dr. Gary. Since August, we have seen three new people (doesn't sound like much but it is to us). The anointing in our services has been increasing with each service and I know it is because of Dr. Gary's preaching on "The Assignment," when he was with us, has gotten into everyone's heart. Say "hello," and give Angel our blessing.

I just got a phone call from Josh's Mom, Beckie. She had just come from the doctor for her annual wellness checkup. After you prayed for her, she had no arthritis; her blood pressure is almost back to normal, and her heart rate perfect and she's walking around the house with absolutely no pain. Last week, the doctor told her she had a torn rotary-cuff and now the x-rays are showing NO TEARS; therefore, no operation is necessary. Praise God and thank you Brother Gary!

God Bless you all, Pastor Jerry Lawrence

Hello Dr. Wood,

I would like to tell you that your story is wonderful. I lost my Mom this past February and I know I will see her; my Dad and Grandma are both in Heaven. I watch your interview with Sid Roth all the time; it always brings tears to my eyes. Thank you for your amazing experience and if you are ever in the Northeast, it would be a pleasure to hear your testimony in person. May God bless you and your family daily!

Dr. Gary is truly a supernatural walking miracle! There is no denying the power and the love of God after seeing, hearing, and being in His presence. Wherever he goes there is an atmosphere of the miraculous created. Jesus manifests and whatever you need is made available for you to receive. My family and I have personally received miracles under the ministry of Dr. Gary. If you live anywhere near an area that he will be ministering in, I strongly encourage you to go and take others with you. These are the days of miracles and it would be your day to receive.

Blessings, M. Deborah Harris

OUR TOUR TO THE NORTHEAST

TRUIMPHANT LIFE CHURCH, ENDICOTT, NY

What a great night and what wonderful meetings we had with Dr. Wood! It was like days of Heaven on earth! We had 26 people accept the invitation for salvation. Many were filled with the Holy Ghost and were delivered from demonic oppression. Many personally told me they were healed in their bodies. I know the Lord is well pleased and the grandstands in Heaven were full, as they were watching what the Holy Spirit was doing in these meetings.
