DR. GARY WOOD NEWS:

RESURRECTION CELEBRATION!

The Resurrection story is captured in two words: *He lives!* The Resurrection is the pivotal point of Christianity; for if there is no empty tomb, then Jesus pulled off the biggest hoax ever perpetrated on mankind. God gave His validation, His stamp of approval upon the life and ministry of Jesus when He raised Him from the dead. The distinct difference between Christianity and all other religions is that we serve a risen Savior!

What does the Resurrection mean? It means we cannot be tormented by a defeated foe, because greater is He that is in us, than he that is in the world. It means fear has no place in us. Depression has no place in us. Disease has no place in us. Poverty has no place in us. Because He lives, we shall live also!

Have a Blessed Resurrection Day!
Dr. Gary, Deena, & Angel Wood

ISRAEL TRIP

- Don't forget, you can still help send the gospel of salvation and miracles with Dr. Gary to Israel on May 30 to June 11, 2014. Dr. Gary covets your prayers as he travels to minister in the Upper Room, a room in Jerusalem traditionally held to be the site of The Last Supper; Dr. Gary will also minister along the coast of the Sea of Galilee, where the Lord spent most of the three years of His ministry along the shore of this freshwater lake. It was here, that Jesus gave more than half of His parables and performed most of His miracles.
- Please send us your prayer requests by mail or email at garywoodmi@aol.com if you would like for him to pray for you and your request at the Wailing Wall, the outermost site and last remnant of King Solomon's original Temple, which housed the Ark of the Covenant over 2,000 years ago. After the destruction of the Second Temple in 70 A.D., Jews were not allowed to come to Jerusalem except to visit once a year on the anniversary of the destruction of the Temple and weep over the ruins of the Holy Temple. Because of this, the wall became known as the "Wailing Wall." After the Six Day War, the Western Wall became a place for national rejoicing and prayer, as the last accessible relic of the last Temple.
- Dr. Gary will be an honorary evangelistic speaker at two churches. We expect great miracles to happen and anticipate Dr. Gary's return with powerful testimonies of salvations, baptisms, and miracles!

PRAISE REPORTS

Dear Dr. Wood,
My husband and I attend *Abundant Life Church* in Eagle River, WI. We were so blessed by your words and the Word. You touched many that morning and evening. One woman's knee was healed; another woman that you prayed for described it as *awesome*. For my husband and me, it was indeed awesome. Part of the story for me is that Christmas 2012, I went sledding with my family. I am sixty. I slid down the hill on a saucer, hit a bump that threw me up, and I landed on my head. I should have broken my neck. My chiropractor took x-rays and helped straighten me out. Well, you put your foot first on the scoliosis spot exactly, then how did you know to go to my neck? I didn't feel anything then...no electric tingle, no warmth, but I received a healing of the scoliosis and full range of motion back in my neck. Praise Jesus! My chiropractor confirmed these changes. My husband felt a big clunk when you gently placed your foot on his back and continues to enjoy a better strengthening in his back and a growing of his faith. I also put my hands on my kidneys for prayer for high blood pressure and got a reading of 128/88 two days after you prayed. I'm walking in faith. Thanks so much for coming and ministering to us.
Butch & Jean Fitzpatrick, Eagle River, WI

Thank you Dr. Gary. We cannot say thank you enough for the eternal deposit you made into us. Your deposit has opened up quite a place in prayer. I can't stop listening to your messages. They are so full of wisdom and insight. Your Sunday service was so full of apostolic and prophetic glory. You surely stepped into an apostolic fathering to His people. The church so needs that anointing in this hour to set the course for His coming and the perfection of the church unto glory. It is a message all need to hear. It was a right NOW Word to take us into the glory of His coming. Thank you, thank you. You are one of the end time fathers God is raising up. I call you a Father to GLC. Thank you for being obedient. Love you guys so much!
