December 2015

Dear Partners & Friends,

Every year during the Christmas season, the world is reminded of God's gift of His son to humanity, the ultimate gift of love. As we celebrate, eyes are turned toward the light of the gospel, ears are opened to faith, and hearts are rekindled with hope, as we reflect upon Jesus' arrival upon the stage of history that remains forever changed.

This Christmas let's thank our Father for all He has given us in His Son. According to Isaiah 9:6, Jesus is wonderful, Counselor, Mighty God, Everlasting Father, and Prince of Peace. As we approach this coming New Year let's celebrate who we are in Him. Remember, when God unfolded His plan in Jesus, you were part of it. Position yourself in His arms and enjoy His marvelous love! As our family gathers for Christmas, each of you will be in our hearts and prayers. The Lord says, " Everything is going to be alright for the household of faith."

**We love you. Merry Christmas!
Dr. Gary, Deena, and Angel**

Autumn Assembly, Billye Brim's Ministry, Branson, Missouri.

Dr. Gary gave a prophetic Word to Brother Kenneth Copeland. At the closing of his Word, he paused to embrace the Honorable General in the Faith. What a tremendous time we had in His Presence!

Deena's Corner:

What a tremendous year of joy and happiness in the Lord it has been! A blessed season, 2015 has been for our ministry as we have seen many people come to know the Lord as their Savior and receive the precious Holy Spirit. God in His goodness has displayed His amazing power of love this year; I believe this will carry over into 2016 with a stronger imprint as He gets ready to bring His people home to reign with Him forever.

Dr. Gary has been traveling almost the entire year. It has been a little wearing on the body; however, when just one person comes to know the Lord, the eternal investment is worth it all! Our family is grateful for your prayers of intercession and also for your love gifts. You will never know how much it means to us and how much we appreciate you! We keep you in our prayers daily; we know that God is going to richly bless you for your watchful care and generosity! We love you all!

Wishing you a very Merry Christmas and an abundantly prosperous New Year in 2016!

This blessing, The Freedom Bus, which was a gift, enables us to travel as a family as an evangelistic ministry team.

◆ *Hi Gary,*

It was so good to see you at *Autumn Assembly* in Branson. It was even more interesting that your Dad and my Dad knew each other in Farmington, NM. with them both being in the plumbing business. I did want to confirm to you in a letter that in 1966 I was living in Farmington where I was born. In 1966, I was 12 years old and was in the 6th grade. I remember the talk that went around about your friend John's car wreck where he was killed. Everyone was in shock over how bad of a wreck that it was. It blessed me so much in your testimony about him taking you on a tour of Heaven. I praise God that you were sent back to be able to help others come to know the fullness that Jesus has for them. God bless you, my dear brother, until we meet again.

◆ *Dr. Wood,*

Thank you for coming to our town in Chesterfield, S.C. and ministering to our church at *The Living Word*. You brought so much into my life the 3 nights I was able to attend; may God continue blessing you for it. You restored my hope and showed me that I was not worthless; God has a purpose for me. I just had to send you this note to let you know you touched my life more than you may ever know; I can't thank you enough. Please thank your beautiful family for sharing you with us.

Love,
Jennifer Jordan, Chesterfield, S.C.
