July 2016

I want to honor and celebrate all the mighty men and woman of valor that have served in our military forces to assure our freedom. Thank you for serving and helping to preserve our country, America, the Great!

Let me introduce you to a Biblical man of honor, Gideon. For many years the Midianites oppressed the people of Israel by stealing their abundant harvests and every good thing of the land. In *fear*, the Israelites abandoned their houses they had labored to build with their own hands, and rather than *fight*, they took *flight* into the local caves to *survive* as their livestock lived. This heinous bullying continued for seven years until one day God sent a deliverer, Gideon. As the Israelites cried out to God, He intervened and sent Gideon to free them from bondage so that they might *thrive*.

In Judges 6:14-16, the Lord told Gideon that he would be with him to smite the Midianites as "*one man*."

The selection of Gideon for this immense task was entirely God's. Gideon's self-image did not shout of qualifications that declared him as a candidate that God could use. Gideon saw himself as a poor, unqualified, disadvantaged individual with no self-worth; thus, certainly not a candidate for such a mighty calling; however, God saw him as a "*mighty man of valor*." God was looking at what He intended to *equip* Gideon to perform.

It doesn't matter how you see yourself in the flesh; but it is vital to know who you are in Christ so that you will allow Him to fully equip you in your weakness. God is still in the business of making "*men of valor*" out of people, who see themselves as ordinary or insignificant. The scripture says God chooses the weak things of this world to confound the things which are mighty. Dear friends and partners, when God has called you to a specific task, in your weakness His anointing will flow through you to successfully complete the assignment. I see the Almighty God making a *Champion* out of you! You will be a *victor* in every assignment with His signature! Believe and receive it in Jesus' Name!

Joy in Jesus,
Dr. Gary Wood

Evangelist R.W. Schambach

It is with great admiration that I would like to honor one of the great generals of the faith, who I studied under in my early days of ministry under the big gospel tents, Evangelist R.W. Schambach, who is sorely missed as he preached the gospel in more than two hundred nations! For more than five decades he boldly declared, “You don’t have any trouble.....all you need is faith in God.” Schambach was known for his classic gospel message of the power of faith. He devoted his life to preaching the gospel of Jesus Christ, believing for signs and wonders to confirm the Word. R.W. Schambach saw the lame walk, and the blind see, and the deaf hear, in addition to captives set free!

FREEDOM BUS IS ON THE MOVE

Dr. Billye Brim joined us in celebrating our 50 year anniversary in ministry, and proclaimed a blessing on our Freedom Bus, our home with wheels. We will be leaving soon to complete our three month tour. Check out our itinerary; we may be coming to a city near you. We also want to thank our many faithful supporters that assist us in taking the Freedom Bus around the country. We are a team with a mission to proclaim the Good News of Jesus’ precious love to the world.

PRAISE REPORT

I wanted to get back with you with a praise report about our son, Lonnie Sanchez, Jr. I had asked you to agree with us in prayer. He was involved in a work related accident earlier this year. He suffered a head injury and was in ICU for three weeks followed by a three week stay in another facility that specialized in head injuries. He is now at a rehabilitation home and making tremendous progress. We have seen the Lord's hand in his healing and continue to stand on many scriptures for his complete healing. Thank you so much for your prayers and encouragement. Our God is great and greatly to be praised!

We were called to ministry in 1966 and went to Plainview, TX to go to Wayland University that year. We joined a small Baptist church there. That same year Gary Wood moved there to go to Wayland. He led music there. He went home for Christmas and didn't come back. I found out later he had a horrible wreck and had an after life experience in Heaven. He came to our church in Brownwood a few years ago.

I just think about all the great evangelists that came to Hobbs, NM that I got to hear: Kenneth Copeland, Jerry Savelle, Mike Evans, the Power Team and Gary Wood, who died and went to Heaven and came back. It's hard to believe so many blessings came to little old Hobbs.
