## Happy Resurrection Celebration!

As we celebrate on April 1, let us remember that according to the Gospel of John in the New Testament, Mary Magdalene came to the empty tomb where Jesus had been buried. An angel told her, "Jesus has risen," thus, the name, *Resurrection Celebration*. Jesus died on the cross on *Good Friday*, and came back to life three days later, *Resurrection Sunday*. Forty-nine days after Resurrection Sunday, we celebrate Pentecost which commemorates the descent of the Holy Spirit upon the Apostles and other followers of Jesus Christ while they were in Jerusalem celebrating the Feast of Weeks, as described in Acts 2:1-31.

How did the disciples feel when they realized that Jesus was no longer with them? Have you ever doubted that God could use you? I have. This lie from the devil is what held me back for years from following what God wanted to do in my life. I said, "My husband was called into the ministry. Not me! My husband was the one that had the anointing to lay hands on people for healing, for marriages, finances, to be born again and receive the Holy Spirit. I was called to be the behind the scenes helpmate, to sit in the pew and pray for him, to make his travel arrangements and schedule his speaking engagements. I was convinced that I had nothing to give. How very wrong I was!" After my husband went to Glory, the devil told me, "You need to shut down the ministry. It can't go on without Gary!" For a while, I believed the lie, but guess what! God got hold of me and said, "You can do it! You will do it!" I said, "God, I have nothing to say. No one would want to listen to me!" We all know that when God says, "You will do it!" we better listen. Well, I decided I did have something to say and I said, "SHUT UP DEVIL! You lose!!!!"

I have never felt so full of His love and His assurance that He can use me the same way He used my husband and even more. It is not about me! It is all about Jesus! He is leading me, guiding me along the path He is calling me to.

Has the devil ever tried to tell you that you can't do something, that you felt God was telling you to do? Don't you listen to him or give in to him. You stand your ground and say, "Yes, Lord, I will go out and do all you have called me to do. I will go in full confidence, because I feel your power and your anointing within me to do it." This is what I have learned for my life. Bless God, I will follow Him in complete obedience, ready to do whatever He says to do. God can use me and He can use you!!!!

Philippians 4:13. (NIV) <sup>13</sup> I can do all this through him who gives me strength.

Please continue to pray for *Angel's Kids Ministries* as we travel to McAllen on the border of Mexico to meet some of the kids that are being fed by this ministry. We will be going with Gayla Holley, *Mom's Against Hunger*. If you feel led to help Angel feed the kids in Mexico, Philippines, India and Africa, please make your check payable to *Angel's Kids Ministries*: send to P.O. Box 1649, Sugarland, TX.

Please continue to keep us in prayer as my grandpa graduated into glory on January 11, 2018, on my mom's birthday. My mom is now my grandmother's sole caregiver as my grandmother is living with us now. We really need the prayers and support of our friends and partners. We praise God for supplying all our needs as He provides a professional caregiver for my grandma when we are traveling for speaking engagements for the ministry. Thank you so much for your financial support and prayers for us. You will never know how much it means to us! We look forward to speaking at your church!
