Ecclesiastes 3: 1- 2: To everything there is a season and a time to every purpose under Heaven. The word “*season*” means a period of time that is characterized by a particular circumstance, a phenomenon. In the natural, there are seasons; I believe we are now in God’s End Time Harvest Season. Everything is accelerating towards the return of the Lord Jesus to take us to the Marriage Supper of the Lamb.

God told Ezekiel that He would rain down showers of blessings upon His people. ^{Ezekiel 34:26} The floodgates are opening! God is releasing His power and glory upon His obedient children. God is wanting to send His blessings down upon us, but we have to pursue and take what is rightfully ours. The enemy is going to try to destroy the promises that God has given you to possess. When trouble strikes, you immediately have a choice as to how you will react. That choice dictates your future. Don’t faint! Don’t settle for second best! Go all the way and recover all that the enemy has stolen from you! You are marked for God’s blessings. Reach out and claim them!

Praise God we are receiving many prayer requests and orders for books almost daily. Just got orders from Finland, Netherlands, and Nigeria. We are so excited that Gary’s book and story are still going all over the world. By the way, his new book is out! It was published by Whitaker House. The publisher changed the title, “I Saw the Glories of Heaven.” The title had to be changed, as another book was published with his previous title. “I Saw the Glories of Heaven,” is the original book with a new title.

I will be taking the next couple of months off, because my mother is not doing as well as she was. Please pray for my mom, Lois. As an only child, her care falls upon me; I need to be with her, love her, and take care of her needs at this time. In September, I will start up my meetings. I am so excited about what God is going to continue to do with the ministry. We really appreciate your support and prayers for us.

Recently, I have begun to write my book as the Lord laid upon my heart years ago. Please pray for God’s divine direction as I write.

Following His Lead,

Deena Wood

Angel's Kids

Please continue to pray for *Angel's Kids*. God is really blessing Angel's ministry as she has expanded her outreach to include Haiti. We partner with Elisha's Home in Pennsylvania. Typically, the pastor visits the Church of the Redeemer annually; this church ministers to numerous mal-nourished children and brings the Word of God to their families. Gary and I have been to Haiti; we know first-hand how these precious children need our help. Every country Angel helps, is supported by a pastor, who visits the ministries that feed children. Any amount is never too small; make checks out to Angel's Kids.

Pastor Lois Snodgrass in OK with Gene & Ginger Usher where Deena ministered.

Center: Deena teaching and preaching at River of Life Church, Duncan, OK Right : Ministering in Cheraw, South Carolina.

Dr. Billye Brim Ministering to Angel and Deena
