DR. GARY WOOD NEWS:

Praise God, Revival Fire is in the air! We started 2015 with a powerful revival at Dineh Christian Center, Shiprock, NM. on the Navajo Indian Reservation. Then the fire fell at the *Fire of God Conference* at Glorious Way Church, Houston, TX. What an honor to preach with two generals of the faith, Prophet Gene Wiseman and Pastor John Greiner.

In 2014, I preached one hundred twenty-six times. I ministered in Canada, Israel, and also ministered via internet to approximately one hundred sixty-eight countries. I also ministered on Jonathan Bernis' world outreach television program, *Jewish Voice Today*. Due to the tremendous response of the audience, the program will air twice again in the month of February.

Dr. Gary Wood's 2015 Prophetic Word:

God is going to do startling things in 2015. Expect surprises as He releases His Glory through an outburst of miracles upon you. New doors will be opened for you this year. New revelations are ready to be unveiled before you as you read and meditate upon God's Holy Word. Don't stop because of trials that you experienced in 2014. Keep standing on God's Word for 2015. This year will be a year of pushing through for your breakthrough. Draw from the wisdom of Godly associations that God has put into your life. Expect notable miracles to manifest in 2015 on your behalf. The Revival of God is flowing. Jump in and prepare yourself. The Bridegroom is coming soon for His Bride; it will be a glorious Church without spot, wrinkle or blemish!

Let holiness adorn you. Joy in Jesus, Dr. Gary Wood

We would like to introduce you to our two new intercessors of our ministry.

Left: Deborah M. Harris, Tulsa, OK.

Right: Cherylynn Phillips Milicic, Endwell, NY.

They are such a blessing to us!

PRAISE REPORTS

- Dear Dr. Gary,

I spoke to you in Branson about the miracle of my heart. I went to urgent care and after having a x-ray it showed an enlarged heart; so they did an EKG. It showed the left side of my heart was not functioning. I had another echo test scan and a stress test which all showed the same thing. I called you - you called me back and prayed for me and said to me, "Remember the spare parts room. It has every part that you need." I felt not just the healing hitting my body when you prayed, but I felt the miracle power hit me. I was sitting on the edge of my bed while you were praying and slid down and had to lay down for while..... such peace. I went back to the doctor, who thought I would have to have surgery, but Jesus got there first. He came into my room with a printed out picture of my heart and said..... "Lady, if I were you, I would take this and put it in a frame and hang it on the wall, because you have a new heart! Your heart is no longer functioning at 18% but at 55%. Your heart is not enlarged; the valves are all clear and you don't even have any plaque. I went home rejoicing!

Grateful, so very grateful,
Suzanne Pierce, O Fallon, MO

- Bro. Gary & Sister Deena,

I love y'all. You were such an important part of my life when I really needed it. I thank God for using you the way He does.

Ken Kelly, Austin, TX

- Dear Bro. Gary,

Thank you so much *Man of God* for your ministry. I appreciate what you do for the people of God. Glory to God! The Spirit of the Living God is upon you because He has anointed you. I know God will reward your work.

- Dear Gary,

My husband, Rev. John Killam and I greatly appreciate the ministry of the Word and Holy Spirit that was manifested as Dr. Gary Wood ministered at our church retreat. However, I'd also like to tell about the ongoing blessing that His testimony has meant to me as a Christian school teacher over a twenty-five year span. Dr. Wood was invited and spoke to my junior high and high school classes in Rockford, IL in the late 80's. He shared his testimony, his restored life, and a clear scriptural exhortation to my students. They were especially impacted by seeing his death certificate, hearing about the details of Heaven and the blessing of physical healing available to those who ask. Since that time several of my students have gone on to serve the Lord in various capacities and have recalled his words and what God did. Not only that, but while teaching at a Christian school in Las Vegas, NV, I've shared his testimony with nearly every class I've had and the Holy Spirit powerfully came and blessed those students each time. My students have been changed for time and eternity by the ministry of Dr. Gary Wood. I'm also very grateful that we can now refer people to your books and other resources. Thank you, thank you, and Glory to Jesus!

Jean Killam, Las Vegas, NV

-Dear Bro. Gary, Deena & Angel,

It has been quite a while since we have been in touch, but we have thought of you all at different times over the years and remember the great impact you had on our lives when we were so young in age and in the Spirit as well. May the Holy Spirit bless you and may Jesus' love touch you again and again. With much love and gratitude for what you all sowed into our lives.

Cat Ello, Richmond, TX

- I have received and read your book "A Place Called Heaven", what a blessing your testimony is to me. I thank God He brought me to hear your message and to be touched the way I was. May God continue to bless you and your family as you carry His best loved message to change the world. Amen!
